What is Happening with GLEE

We are gearing up for a new school year, I will hit the ground running with the young men in GLEE club, we will start off with KINDNESS on the first Wednesday that we meet. During this time the young men here are going to Write letters to the police of Denton thanking them for their service. It is imperative as Guys Leading EVERYONE that we set examples for everyone else.

Information

- We will be having a GLEE club tshirt, I do not know when we will be putting it on sale, my hopes are at the beginning of the 2016 school year once I have a better idea how many kids
- If your child has not filled out an application that is ok, I will open applications back up at the beginning of the 2016 school year.

leadership is not a
position or a title,
it is action and
example.

Why have this club?

The Mission is simple: to challenge each male student to **exceed** what is expected of them – in the classroom, in the community and in life
